

Final Decision on Packaging Corporation of America Ash Landfill Class II Disposal Facility

The Tennessee Department of Environment and Conservation (TDEC), Division of Solid Waste Management (DSWM), has issued a solid waste disposal facility permit to Packaging Corporation of America (PCA). The facility, identified as IDL360000221, will be constructed in Hardin County off of Campbell Old Mill Road, Counce, Tennessee.

This permit authorizes construction, operation, and closure of a fully-permitted class II disposal facility for the disposal of boiler ash and related combustion residuals, caustic waste, demolition debris, paper recycling residuals, wood waste, paper waste, rubbish from manufacturing activities, miscellaneous manufacturing process wastes, scrap metal, and miscellaneous manufacturing plant trash generated from the operation of the PCA plant in Counce, Tennessee.

DSWM made the draft of this permit available for review during a 45-day public comment period which ended November 16, 2015. No comments were received.

The final permit is posted online. Visit <http://go.usa.gov/36AxI> to access the facility information in the Dataviewer. Three locations also have paper copies available for review:
